

MICHIGANDER SHUFFLEBOARD

Our Michigander shuffleboard table offers a blend of traditional design and contemporary style. The result is a classic, clean look that allows the Michigander shuffleboard to naturally match most home and game room decors. The cabinet and legs of the Michigander are crafted using the finest locally harvested North American maple, which is hand selected by our master craftsmen before each build to ensure the best possible grain consistency. The Michigander shuffleboard table is available in a variety of finishes, including Heirloom, Chestnut, Mahogany, and Hand-rubbed Black. We can also custom finish your new Michigander shuffleboard table to complement the specific decor of your home or game room.

Every Michigander table features a 20" wide and 3" thick playing surface made from high quality North American maple. The playing surface is sealed with a specially formulated finish that has a lifetime warranty. Your order comes complete with eight pucks and one can of wax powder.

Sizes Available 12', 14', 16', 18', 20' & 22'
