

TEXAN SHUFFLEBOARD

Each Texan shuffleboard table is handmade using locally harvested hard maple and your choice of walnut, hickory, or cherry leg and trim wood. Other woods may be available upon request. Our master craftsman build each custom Texan shuffleboard table to order, taking care to make sure every detail for your new shuffleboard is just right. The Texan Shuffleboard Table comes with a natural finish to showcase the beauty of the contrasting maple cabinet and legs/trim wood. We can also custom finish your new Texan to complement your specific decor of your home, business, or game room.

Every Texan table features a 20" wide and 3" thick playing surface made from high quality North American maple. The playing surface is sealed with a specially formulated finish that has a lifetime warranty. Your order comes complete with eight pucks and one can of wax powder.

Sizes Available 12', 14', 16', 18', 20' & 22'
