

HAMILTON MAPLE SHUFFLEBOARD

Our Hamilton shuffleboard table is traditional design that complements the décor of most homes and game rooms. This model is comprised of a playboard made from 100% Hard Maple Wood and a cabinet handcrafted from Michigan Maple with a choice of finish choose Heirloom, Mocha, Black, gun metal or Chestnut. The result is a simple, yet high-quality shuffleboard table that will provide your family and friends with countless hours of entertainment.

Every Hamilton shuffleboard table that leaves our Grand Rapids, MI facility is handcrafted and by one of our master craftsmen. Using locally harvested Soft Maple for the cabinet, our team of woodworking experts take between 6-8 hours to craft the cabinet and legs for each Hamilton table. While other companies may be content to cut material costs and production time, and lower the overall quality of their product, we're not. At McClure Tables, we pride ourselves on handcrafting one-of-a-kind shuffleboard tables that can stand up to years of wear and tear. The Hamilton comes with a 20" wide and 3" thick playing surface that is handcrafted with premium hard maple and sealed with a specially formulated finish that has a lifetime warranty. comes with 1 can of wax and 8 shuffleboard pucks.
