

PARSON'S PINE SHUFFLEBOARD

Each Parson shuffleboard table features a contemporary design and is handcrafted using solid Eastern Knoty Pine. The pine used to build each table is hand distressed for character by one of our master craftsmen for an antique distressed look. The finished product has a rich, warm appearance. With a clean, sleek table profile, our Parson shuffleboard tables naturally complement most home and game room decors.

The overall clean, architectural style of the Parsons is a center piece of any game room. The gutters are lined with taupe carpet inside the cabinet, our Parson shuffleboard table is a thing of sleek design.

Each Parson shuffleboard table features a 20" wide and 3" thick playing surface that is made by hand using premium North American hard maple and sealed with a specially formulated Piano finish that has a life time warranty. Every Parson shuffleboard table is built at our Grand Rapids, MI facility and comes complete with 8 shuffleboard pucks and 1 can of shuffleboard wax powder.
