

VENETO SHUFFLEBOARD

Our Veneto shuffleboard table offers a unique blend of modern design and contemporary style that naturally complements most home decors. Featuring sleek, clean lines and beautifully arched legs, the Veneto makes the perfect focal point for your family room, basement, or game room. Each Veneto shuffleboard table that leaves our Grand Rapids, MI facility is custom made and built to order. From start to finish, one of our master craftsmen is involved in the every aspect of the table construction and personally handcrafts both the cabinet and legs of your new Veneto shuffleboard table.

Both the cabinet and legs of our Veneto shuffleboard table are made using the finest locally harvested North America maple. Each leg is carved and shaped by hand from one piece of solid maple. Each cabinet is accented by a thick, handmade molding that adds to the overall style and aesthetics of the table. The Veneto is available in a variety of finishes, including Deer Creek, Heirloom, Mocha, Natural Maple, and Cinnamon or two-toned with Mocha legs and Natural Maple or Cinnamon cabinet. We can also custom finish your maple Veneto shuffleboard table to complement your specific decor.

Every Veneto features a 20" wide and 3" thick playing surface that is made from locally harvested hard maple. The playing surface is sealed with a specially formulated finish that has a lifetime warranty. Each Veneto table comes with 8 shuffleboard pucks and 1 can of wax.

Sizes Available 12', 14', 16', 18', 20' & 22'
